At approximately 12:30 pm I was on Houston Street and the President's car had made a left turn from Houston onto Elm Street. Just as I approached Elm and Houston I heard three shots. I realized these shots were rifle shots and I began to try to figure out where they came from. I decided the shots had come from the building on the northwest corner of Elm and Houston. This building is used by the Board of Education for book storage. I jumped off my motor and ran inside the building. As I entered the door I saw several people standing around. I asked these people where the stairs were. A man stepped forward and stated he was the building manager and that he would show me where the stairs were. I followed the man to the rear of the building and he said, "Let's take the elevator." The elevator was hung several floors up so we used the stairs instead. As we reached the third or fourth floor I saw a man walking away from the stairway. I called to the man and he turned around and came back toward me. The manager said, "I know that man, he works here." I then turned the man loose and went up to the top floor. The man I saw was a white man approximately 30 years old, 5'9", 165 pounds, dark hair and wearing a light brown jacket.
